Dear *Eric,*

I simply want to write to say how much I enjoyed my visit to The Club yesterday.

The Vets. game against Bletchley was played in excellent spirit – your team played with impressive skill and flair – and the aftermatch arrangements were all to your customary high standards with the food being delicious.

But what really inspired to me to write was the quality of your pitches – I cannot recall ever running out on a better surface than the first team pitch ever before! It is magnificent and you and the club deserve great credit!

I can reflect for well over 20 years as to the distance The Club has travelled and shared your despair as to the quality of your pitches. However, that is now clearly in the past and it is evident that you are all set fair for a happy and successful future.

I refereed your Under 16 side over at Amersham and Chiltern earlier this season who are evidently well managed by Julian and even your web-site looks most impressive.

And finally – can I thank you and Tiger for your unfailing welcome and courtesy – it is always a pleasure to meet you both and your care and consideration shown to all referees is much appreciated.

With very best wishes

*Viv*
